Population (est.) — 2,600

ASSESSED VALUATION

Property		\$49,388,760.00
Less Elderly Exemption		145,000.00
Taxable Total		\$49,243,760.00
School District Tax	\$25.00	
Town	12.44	
County	2.26	
Tax Rate Per \$1,000	\$39.70	

REPORT of the SCHOOL DISTRICT

For the Year Ending June 30, 1986

NEW BOSTON MILESTONES OF 1986

The year began with an event that touched nearly all the people of New Boston with the explosion of Space Shuttle Challenger on January 28, and the tragic loss of seven astronauts, including Christa McAuliffe, the New Hampshire teacher in space. Many memorials were dedicated to Christa, including a contest of a year's sabbatical to a New Hampshire teacher. Betsey Dodge, fifth-grade teacher in the Central School of New Boston was runner-up in this State sabbatical contest.

Fire Chief James Dodge was honored when he received the State's Volunteer Fireman's Award from Governor John Sununu.

Sandra Gallup received the silver Paul Revere Bowl given by the Better Business Association for her outstanding Community Service.

In April the Immo Christoph house on Joe English Road was moved to a new location on Meadow Road. It is believed, by some, to be the oldest house standing in New Boston.

The iron Depot Bridge and the wooden bridge on Dougherty Lane were condemned and closed to traffic by the State Safety inspectors. A temporary bailey bridge was built over the river near the Police Station and the Dougherty Lane bridge was replanked and opened with restricted weight limits.

In July, a new Police Cruiser was delivered to the Police Department.

New Boston, like all the surrounding towns, grew at an alarming rate in 1986 with nearly one hundred new homes being constructed during the year.

- 37. Forestry
- 38. Interest on Tax Anticipation Notes
- 39. FICA Contribution
- 40. Insurance
- 41. Unemployment Compensation

- 3. To see if the Town will vote to raise and appropriate the sum of \$100,000.00 to complete Bedford Road, or act in relation thereto.
- 4. To see if the Town will vote to raise and appropriate the sum of \$54,000.00 to purchase one new 1987 International Model 1954 cab and chassis, to be equipped with dump body, front plow, wing, and spreader body, and to raise and appropriate the sum of \$2000.00 to purchase one used pickup truck from State of New Hampshire surplus properties. Both vehicles to be purchased for the Highway Department, or act in relation thereto.
- 5. To see if the Town will vote to raise and appropriate the sum of \$16,565.00 and to withdraw and appropriate the sum of \$24,000.00 from Revenue Sharing Funds established under the provision of the State and Local Assistance Act of 1972, for the purpose of replacing the Depot Street Bridge, or act in relation thereto.
- 6. To see if the Town will vote to appropriate the sum of \$18,065.00 for the installation and rental of the Bailey Bridge on Depot Street and to authorize withdrawal of the amount from Revenue Sharing Funds established under the provisions of the State and Local Assistance Act of 1972, or act in relation thereto.
- 7. To see if the Town will authorize the Planning Board to prepare, and from time to time to amend, a recommended program of Municipal Capital Improvement Projects projected over a period of at least six years, as authorized by RSA 674:5.
- 8. To see if the Town will vote to raise and appropriate the sum of \$200.00 for a commemorative plaque to be placed on the new Depot Street Bridge, in honor of Greg Pierce. (By Petition)
- 9. To see if the Town will vote to raise and appropriate the sum of \$4500.00 to complete the Tax Map of the village area, or act in relation thereto.
- 10. To see if the Town will vote to designate Scobie Road from Route 136 to the New Boston Francetown line as a "Scenic Road" under New Hampshire RSA 231:157. (By Petition)
- 11. To see if the Town will vote to designate Thornton Road as "Scenic Road" under New Hampshire RSA 231:157. (By Petition)
- 12. To see if the Town will vote to authorize the Board of Selectmen to sell, convey and transfer a portion of the so called "Victor Daniels Land" to the School District of

- New Boston, at such price and upon such terms as said Board of Selectmen, at its collective and sole discretion, may be deemed to be in the best interest of the Town and School District of New Boston, or act in relation thereto.
13. To see if the Town will vote to raise and appropriate the sum of \$25,000.00 to convert the Town Hall into Town Office space, or act in relation thereto.
 14. To see if the Town will vote to raise and appropriate the sum of \$4000.00 for repairs to the Town Hall or act in relation thereto.
 15. To see if the Town will vote to raise and appropriate the sum of \$7000.00 to contribute to a local Household Hazardous Waste Collection Program. This program will enhance the proper disposal of hazardous household products such as paint thinners, solvents, pesticides, and the like or act in relation thereto.
 16. To see if the Town will vote to instruct the Town Representatives to the General Court to take all necessary measures to insure that no low level radioactive waste from the Seabrook Nuclear Plant shall be stored or disposed of within the Town of New Boston unless or until the proposed site of the proposed storage or disposal has been approved by the voters of the town at the annual town meeting by written ballot, or act in relation thereto.
 17. To see if the Town will vote to raise and appropriate the sum of \$1400.00 to relocate the radio base tower for the Fire Department, or act in relation thereto.
 18. To see if the Town will vote to raise and appropriate the sum of \$3000.00 to erect road signs in the Town, or act in relation thereto.
 19. To see if the Town will vote to raise and appropriate the sum of \$2600.00 to enter into a seepage disposal agreement, or act in relation thereto.
 20. To see if the town will vote to discontinue that portion of Clark Hill Road near the Kachavas Residence abandoned through relocation beginning at approximate state coordinate N177,435 feet, E487,810 feet and running Easterly along the former location of said road to approximate state coordinates N177,395 feet, E488,125 feet as allowed by RSA 238:1, or act in relation thereto.
 21. To see if the Town will vote to authorize the selectmen to return the right of way of that portion of Bedford Road adjacent to the Foster Residence, to Thomas and Elizabeth Foster, or act in relation thereto.
 22. To see if the Town will vote to accept Bessie Leavitt Lane in the subdivision of Wayne and Cathy Daniels as a Town Class V Highway, or act in relation thereto. (By Petition)
 23. To see if the Town will vote to accept Whippoorwill Road in the subdivision of Maurice Whipple as a Town Class V Highway, or act in relation thereto.
 24. To see if the Town will vote to discontinue that portion of Dodge Road (Now a Class VI Highway) that exists from a point adjacent to the Oliver Dodge Residence to the intersection of Dodge Road and Lull Road. (By Petition)
 25. To see if the Town will vote to authorize the Board of Selectmen to appoint the position of Road Agent pursuant to RSA 231:62 and RSA 231:65, or act in relation thereto.
 26. To see if the Town will amend Article 19 as voted at the Town Meeting of March

19. 1986 relative to a Trust Fund for receiving and holding money to upgrade water supplies for fire fighting purposes - Amended Article to read "To see if the Town will vote to establish a Trust Fund pursuant to RSA 31:19-a to receive and hold monies for the purpose of maintaining and upgrading water supplies and delivery systems for fire fighting purposes in New Boston. Said monies both principle and interest to be expended when a need is shown by a written request from a majority of the Board of Fire Wards New Boston Fire Department to the Board of Selectmen", or act in relation thereto.

27. To see if the Town will vote to authorize the Selectmen to sell at public auction or administer property of the Town acquired by tax deed or gift, or to sell to the former owner upon payment to the Town of an amount not less than the sum total of the overdue taxes plus sale and administrative expenses, plus interest on the aggregate of the foregoing, calculated at the rate of 18% per annum, or act in relation thereto.

28. To see if the Town will authorize the Selectmen to apply for, receive and expend Federal or State grants, which may become available during the course of the year, and also to accept and expend money from other governmental unit or private source to be used for purposes for which the Town may legally appropriate money provided (1) that such grants and other monies do not require the expenditure of other Town funds, (2) that a public hearing shall be held by the Selectmen prior to the receipt and expenditures of such grants and monies, and (3) that such items shall be exempt from all provisions of RSA 32 relative to limitations and expenditures of Town monies, all as provided by RSA 31:95b, or act in relation thereto.

29. To see if the Town will vote to authorize the Selectmen to hire money to meet the necessary expenses of the Town, or act in relation thereto.

30. To transact any other business that may legally become before the meeting.

Given under our hand and seal this third day of February in the year of our Lord, nineteen hundred and eighty-seven.

Thomas J. Mansfield, Chairman
Willard O. Dodge
Theodore G. Olson
Selectmen of New Boston

MINUTES OF TOWN MEETING

March 11, 1986

Roland Sallada was sworn in as acting Moderator in the absence of David L. Nixon, Moderator. The meeting was called to order at 10:00 a.m. Those gathered were led in prayer by the Reverend Tom Shelton and the Pledge of Allegiance was led by Matthew Chapman. The Moderator read Articles 1, 2 and 3 of the 1986 Town Warrant, the polls were opened and work commenced under these articles. The remainder of the Warrant would be acted upon at 7:00 p.m.

Article 1

To choose all necessary officers for the ensuing year.

Town Officers:

Selectman for three years	Theodore G. Olson
Selectman for two years	Willard O. Dodge
Road Agent for one year	Almus E. Chancey
Trustee for the Trust Funds for three years	William Morin
Trustee of Library for three years	William E. Mulligan
	Kendall Wiggan
Trustee of Library for one year	Carolyn H. Todd
Fire Ward for three years	Richard D. Moody
	John C. Statt, Jr.
Fire Ward for two years	Dan MacDonald
Auditor for two years	John H. Reeves
Supervisor of Checklist for six years	Sarah Chapman
Supervisor of Checklist for two years	David L. Nixon

School District Officers:

Member of the School Board for three years	Leslie Colburn
District Treasurer for one year	Mary K. Reeves
District Auditor for two years	Patricia L. Backman

Article 2

Are you in favor of the adoption of the Building Code Ordinance as proposed by the Board of Selectmen? 342 Yes 143 No

Article 3

Are you in favor of the adoption of the amendment to the existing town zoning ordinance as proposed by the Planning Board? 327 Yes 153 No

The polls were closed at 7:00 p.m. by Moderator David L. Nixon, and the absentee ballots were cast. The business meeting was called to order at 7:30 p.m. having been moved to the Fire Station where more people could be accommodated. Moderator Nixon introduced those Town Officials present. They included State Representatives Elizabeth Moore and Roland Sallada, Selectmen Theodore G. Olson, Thomas Mansfield and Marguerite Warg, who was not present due to illness, and William Caldwell, who had resigned during the course of the year. Town clerk and Tax Collector Sandra Gendron, Assistant Tax Collector and Deputy Town Clerk Margit Hooper, Secretary to the Selectmen Betty Hooper and her assistant Linda Sizemore, Treasurer Karen Koman-Craven, Supervisors of the Checklist Sandra Gallup, Sarah and David Mudrick, who had been appointed due to the resignation of long-time

Chairman of the Supervisors Donald Byam. At this time the Moderator asked for a standing ovation to honor Mr. Byam for his many years of service to the community and the Town obliged. Introductions continued with Ballot Clerks Rhoda Hooper, Ruth Dodge, Evelyn Barss and Kathy Johnston, Police Officers David Ballou and Donald Sims and Custodian Harold Walker being introduced. The reigning Winter Carnival Queen Coleen Craven was also introduced and applauded.

Herbert Scott, on behalf of the New Boston Businessmens' Association, then presented a community service award to Sandra Gallup in recognition of her many years of devotion to the Recreation Commission and other community groups. Mrs. Gallup then received an extended standing ovation in appreciation by those in attendance.

Article 4

To see if the Town will vote to raise and appropriate the sum of \$260,500 to terminate the operation of and to permanently close the Landfill situated on Old Coach Road, or act in relation thereto.

Motion in favor of this article was offered by Selectman Olson and seconded by Selectman Mansfield. Selectman Olson read the order of closure which had been issued by the State of N.H. on March 11, 1985. The Selectmen outlined the procedures to be followed in closing our existing landfill and stated that all would be required to be inspected by the State as work progressed. Discussion ensued as to the materials to be used in the closure and how they would prevent future pollution of the ground water. Monitoring of the ground water would continue to insure that all work was successful. When asked if wells of the residents in the area could be affected, Selectman Olson stated that testing at present was negative, but continued use of the landfill could change this. Questions were asked as to insurance coverage for the town if wells were eventually contaminated, Selectman Olson responded that we do not have and could not purchase liability insurance for this purpose.

Selectmen Olson and Mansfield recognized Bonnie Meany for her many hours of assistance given regarding the many phases of the current landfill closure and future solutions to New Boston's waste disposal.

Vote was taken and the article passed.

Article 5

To see if the Town will authorize the Selectmen to issue long term notes to cover any appropriations made under Article #4, or act in relation thereto.

Selectman Mansfield moved, seconded by Selectman Olson that the town authorize the Selectmen to issue long term notes in the amount of \$130,000.00 to be applied to the appropriation made under Article #4. The Selectmen explained that they would like to raise \$130,000.00 this year and the same amount next year for this project. They stated that considering the money to be spent, if voted, under the remainder of the Warrant this would be the best financial route to take. Discussion ensued as to the effect this money would have on the tax rate if paid off in one or two years, and the effect passage of the remainder of the Warrant articles dealing with money would have on the rate. Selectman Olson estimated a \$6.00 or \$7.00 increase overall if the remainder of the Warrant dollars passed and the dump were financed over a two year period, and that this estimate was taking into consideration new tax dollars to be provided by new housing.

Paul Stanger moved to pass over this article until after action was taken on Article 31, this was seconded by William Shanahan. Division was called for on the motion to pass over and was defeated by a vote of 158 to 90. The meeting was returned to the

Mansfield motion. Howard Towne moved the question, seconded by Dennis Hooper to cut debate. This motion was voted on and passed. Vote on the Mansfield motion was called for, division was asked for and it passed by the required 2/3, the total being 223 in favor and 40 against.

Article 6

To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

1. Town Officers' Salaries	\$ 11,600.00
*2 Town Officers' Expenses	35,900.00
3. Elections & Registration	1,000.00
4. Cemeteries	800.00
5. Town Hall & Town Office	15,500.00
6. Property Assessing	19,604.40
7. Building Inspector	10,400.00
8. Planning Board	9,135.00
9. Board of Adjustment	500.00
10. Legal Expenses	4,819.10
11. SNHPC	1,036.80
12. TCSWND	564.00
*13. Work on Tax Base Maps	8,000.00
14. Care of Town Grounds	300.00
*15. Police Department	48,713.00
16. Fire Department	25,381.00
17. Civil Defense	100.00
18. Costs of Fires and Emergencies	7,500.00
19. Forest Fires	200.00
20. Probation Department	892.89
21. General Expenses	18,000.00
22. Street Lighting	4,500.00
*23. Summer Maintenance & Bridges	98,000.00
*24. Winter Maintenance	85,000.00
26. Resurface Tarred Road	25,000.00
26. Highway Block Grant (Road Construction)	62,459.00
27. Solid Waste Disposal	14,986.00
*28. Ground Water Monitoring	11,500.00
29. Vital Statistics	50.00
30. Monadnock Visiting Nurse	5,000.00
31. General Assistance	3,500.00
32. Old Age Assistance	2,500.00
33. Library	33,209.00
34. Recreation Commission	4,200.00
35. Memorial Day	300.00
36. Conservation Commission	1,630.00
37. Forestry	300.00
38. Principal Long Term Notes	18,000.00
39. Interest on Long Term Notes & Tax Anticipation Note	5,000.00
40. FICA Contribution	13,228.00
41. Insurance	48,000.00
42. Unemployment Compensation	100.00

*Those amounts changed from printed amounts in Town Report.

Selectman Mansfield moved to raise and appropriate \$652,908.19 for the town budget, this was seconded by Paul Stanger. The amount to be raised, this being the amount that would affect the tax rate was \$538,549.19.

Donald Chapman moved to amend the amount under Town officers' expenses from \$31,900.00 to \$35,900.00. This was seconded by James Dodge.

Mr. Chapman wished the additional \$4,000.00 to be used by the Building Study Committee voted to be continued at the School Meeting the previous Friday evening, but had not be funded. When asked if this amount should be specifically ear-marked Mr. Chapman expressed faith that the Selectmen would see that the intended use was carried out. Mr. Chapman further stated that this money would not be spent by the committee established to study the possibility of public kindergarten. When voted on the Chapman motion to increase Town Officers' Expenses by \$4,000.00 was passed.

Work on the Tax Base Maps had been increased from the amount originally printed to \$8,000.00 in the hope that work on these much used maps could be completed and updated.

Elliott Hersey, member of the Finance Committee, moved to reduce the Police Department budget to \$39,163.00 and this was seconded by James Ryan. This committee felt the budget could be trimmed by eleminating the purchase of new radar, eliminating the purchase of new law books, and reducing the salary increases proposed. Chief Ballou defended his proposed budget, with support from the Selectmen and offered an amendment which would reduce the proposed figure to \$48,713.00, which was seconded by James Dodge. Selectman Mansfield stated this amendment by Chief Ballou was unnecessary by Selectman Mansfield. Chief Ballou withdrew his motion to amend and the second was also withdrawn. When voted on, the Hersey amendment to reduce the police budget was defeated.

Elliott Hersey, again for the Finance Committee, moved to amend the Fire Department budget downward to \$24,081.00, seconded by Frank Fillmore. It was the feeling of the Finance Committee that they could eliminate the purchase of a portable radio in the amount of \$1,300.00. Chief James Dodge explained that this radio would allow him to have contact with various people without having to find a telephone when he was paged. The Hersey motion was then voted on and failed.

Elliott Hersey, again for the Finance Committee, then moved to amend the Library budget to \$31,709.00, this was seconded by Frank Fillmore. The Finance Committee felt the reduction could be in the area of purchasing new furniture. Paul Stanger moved to amend the Library budget to \$33,209.00, seconded by William Mulligan. Mr. Stanger, a Library Trustee, said that actual prices had been received for the anticipated purchase of new furniture and that the budget could be reduced by \$500.00. When voted on the Hersey amendment was defeated and the Stanger amendment was passed, thereby reducing the Library budget by \$500.00.

Other changes from the amount printed in the Town Report were adding \$28,000.00 to summer Maintenance and Bridges and adding \$5,000.00 to Winter Maintenance and subtracting \$12,500.00 from Ground Water Monitoring.

Considering the two above-mentioned changes one to add \$4,000.00 and one to reduce by \$500.00, Selectman Mansfield changed the amount to be raised and appropriated to \$656,408.19. The amount to be raised by taxes would be \$542,049.19. The amended budget propasal was then voted on and passed unanimously.

Article 7

To see if the town will vote to authorize the Board of Selectmen on behalf of the town to enter into a cooperative agreement, pursuant to RSA Chapter 53-A, for the purpose of joining together with towns and cities in a joint and cooperative effort for the disposal of solid waste in a manner which will meet Federal and State regulations. The District to be formed under the cooperative agreement which will be designated the "TriCounty Solid Waste Management District." A copy of the current draft of the proposed cooperative agreement is posted with the Warrant and is available at Town Offices during normal business hours. The Board of Selectmen is specifically authorized on behalf of the town (a) to execute and deliver the agreement with changes therein from the posted agreement as the Board of Selectmen shall approve, and such other instruments, documents, and agreements as the Board of Selectmen, in cooperation with the Town Counsel may deem necessary or desirable in furtherance of the purpose of this agreement; (b) to cause to be performed all obligations which may from time to time be required pursuant to the terms of the agreement; and (c) and take action thereto.

This article was moved by Selectman Olson and seconded by Paul Stanger. Selectman Olson explained that the other towns involved had already signed a contract, but that New Boston held out to be certain this was a good thing. By signing this agreement, the Selectmen will have the opportunity to have our waste transported to Manchester when Vicon goes on line. This will be incinerating waste to produce electricity.

The article was passed.

Article 8

To see if the Town will vote to authorize the Board of Selectmen on behalf of the Town to enact ordinances concerning the supervision and regulation of the collection, transportation, delivery and disposition of all or part of any solid waste generated within the Town so the same is delivered to a designated resource recovery facility or such other facilities as may be designated by the Town for processing or for other disposition or handling or act in relation thereto.

Motion in favor of the article was made by Selectman Mansfield, seconded by Selectman Olson, and passed.

Article 9

To see if the Town will vote to raise and appropriate the sum of \$65,000 to pay for the construction of a refuse transfer station, to enter into a lease-purchase agreement for a close top trailer with compactor, and to contract with a hauler to transport said refuse to a State approved site, and to withdraw and appropriate from the Robert Weadick Estate Fund the sum of \$19,448.74 plus interest, and to withdraw and appropriate the sum of \$35,000 from the Revenue Sharing Funds established under the provision of the State and Local Assistance Act of 1972, or act in relation thereto.

This article was moved by Selectman Mansfield and seconded by Selectman Olson. The Selectmen explained that they had investigated many options available with regard to our waste removal dilemma. This was the solution that seemed best suited to New Boston. Until Vicon comes on line in Manchester (estimated 2-3 years) waste will be trucked to Bennington.

The transfer station will probably be located at the present dump site; the State will have to approve the location. It is hoped Mr. George Houghton, a respected and valued Town Employee, will continue to work under the new system. Re-cycling will be voluntary to start with and the Town can realize some monies as a result of the re-cycling effort.

The cost of running the station is included in the budget and it is estimated it will be operational sometime in the late summer.

The article was passed.

Article 10

To see if the Town will vote to raise and appropriate the sum of \$14,000 for the purchases of a new police cruiser or act in relation thereto.

The motion in favor of this article was offered by Police Chief John Ballou, and seconded by Roland Sallada. Chief Ballou explained that the present cruiser was five years old and had 65,000 miles on it. He did say that it would be kept in service for the rest of this year provided the cost to maintain was not excessive. The new cruiser will be a Chevrolet Blazer at dealer cost plus \$100.00.

Chief Ballou moved to amend this article to \$12,529.00, this was seconded by Roland Sallada and passed. The main motion was amended and seconded then passed.

Article 11

To see if the Town will vote to raise and appropriate the sum of \$15,000 to finish the Town Master Plan, or act in relation thereto.

The motion in favor of this article was offered by Selectman Olson and seconded by Kevin McLarnon. Harold Strong, Chairman of the Planning Board, stated that work was being done, and further stated that the SNHPC guaranteed that the project would be finished this year with this appropriation plus monies that had been carried-over from previous years. The article passed.

Article 12

To see if the Town will vote to raise and appropriate the sum of \$1,200 for payment to the firm of Tim's T Shirts for damages to their automobile as a result of an accident on Daniels Lake Road, or act in relation thereto.

Motion for the article was offered by Selectman Mansfield, seconded by Selectman Olson. Selectman Mansfield, speaking for the Board of Selectmen, requested defeat of this article, stating that by the claimants' own admission the damage was done to their vehicle when it was being pulled out; and further that the Selectmen had photos to back up their decision not to make a monetary settlement with Tim's T Shirts. The article was defeated.

Article 13

To see if the Town will vote to raise and appropriate the sum of \$145,000 to rebuild Bedford Road, or act in relation thereto.

Selectman Mansfield so moved the article, with a second from Selectman Olson. Selectman Mansfield stated that the Road Agent would have to hire outside help to do this project, and that it would be finished over a two year period with a similar appropriation to be requested next year. Much discussion ensued as to the condition of the roads in general, and it is the hope of all concerned that by taking this approach to the Bedford Road Project that the Road Agent would be able to give more attention to general maintenance of the other roads in Town. The article passed.

Article 14

To see if the town will vote to give a quit claim deed or maintain a roadway located on and adjacent property of Alan and Ronna LaPenn of 157 Saunders Hill Road, New Boston, N.H., or act in relation thereto. (By Petition)

Motion for this article was offered by Cathy Richard and seconded by Robert Fehsinger. The Selectmen described the location of the road in question and

recommended defeat of this article as, in their opinion, it would set a precedent in New Boston regarding changing the status of a class 6 road. Mr. LaPenn feels that the town should either maintain it or give it up. When voted on the article was defeated.

Article 15

To see if the Town will vote to authorize the Board of Selectmen to appoint the position of Road Agent pursuant to RSA 231:62 and RSA 231:65, or act in relation thereto.

Selectman Olson moved in favor of this article and Selectman Mansfield seconded. Pros and cons were discussed as to the election versus the appointment of a Town Road Agent. Present Road Agent Almus Chancey was not in favor of the article, and felt that the position should remain as it is, that of being elected. When voted on the article was defeated 93 to 84.

Article 16

To see if the Town will vote to raise and appropriate the sum of \$5,300 for unit 10 dispatching contract with the Town of Goffstown, or act in relation thereto.

Motion for the article was offered by Fire Chief James Dodge and seconded by George St. Jon, and passed.

Article 17

To see if the Town will vote to raise and appropriate the sum of \$1,000 for the New Boston Fire Department's 1/3 share of building an air supply truck with the Towns' of Goffstown and Weare, or act in relation thereto.

Motion for the article was offered by Fire Chief James Dodge, seconded by Paul Keiner, and passed.

Article 18

To see if the Town will vote to raise and appropriate the sum of \$9,800 to switch bodies and update 76M3 to the chassis provided by the New Boston Fire Department, or act in relation thereto.

Motion for the article was offered by Fire Chief James Dodge, seconded by Paul Stanger, and passed.

Article 19

To see if the Town will vote to establish a Trust Fund pursuant to RSA 31:19-a to receive and hold monies for the purpose of maintaining and upgrading water supplies and delivery systems for fire fighting purposes in New Boston, or act in relation thereto.

Louis Lanzillotti, a Trustee of the Trust Funds moved to amend this article giving the Selectmen the authority to establish a trust fund, this was seconded by Frank Fillmore. Mr. Lanzillotti felt this would keep in line with all the other Town Trust Funds. The amendment as offered by Lanzillotti was passed and the article as amended was passed.

Article 20

To see if the Town will vote to raise and appropriate the sum of \$10,000 to be put in a Capital Reserve fund for Town Re-assessment in the near future, or act in relation thereto.

This article was moved by Selectman Mansfield and seconded by Selectman Olson. This fund would be set up as a way of saving for a future re-evaluation of the entire town. Discussion ensued as to the wisdom of capital reserve funds, the feeling being that it might not be a wise financial move. When voted on the article was defeated.

Article 21

To see if the Town will vote to authorize the Selectmen to cost-share with landowners the expense of them hiring a professional forester to oversee timber harvest on their lands within the town. Said cost-share amount shall be determined by the Selectmen and shall not exceed 10% of the actual timber yield tax revenues paid by the land owner to the Town; and further to see if the town will vote to raise and appropriate the sum of \$750.00 for this purpose or act in relation thereto.

Motion for the article was offered by Selectman Mansfield and seconded by Selectman Olson. Selectman Olson explained that this article was placed in the Warrant at the request of such organizations as the N.H. Association of Conservation Commissions, the Society for the Protection of Forests, and the Department of Revenue Administration. It is felt, that this is a form of insurance to both the Town and the landowner that when any timber being cut is reported accurately thereby insuring the Town of an accurate tax and the landowner an accurate sale. when voted on the article passed by a vote of 112 for and 42 against.

Article 22

To see if the Town will vote to establish a Conservation Fund under RSA 36-A:5 and to allow any unexpended conservation commission appropriations to accumulate there in from year to year or act in relation thereto.

David Woodbury moved the article with a second from Louis Lanzillotti, and it passed.

Article 23

To see if the Town will vote to discontinue the former Bunker Hill Road abandoned through relocation beginning at approximately state coordinate N187000 feet, E478500 feet and running easterly along the former location of said road crossing Buxton Brook to approximate state coordinates N187250 feet, E479000 feet as allowed by RSA 238:1 or act in relation thereto.

The article was moved by Selectman Mansfield and seconded by Selectman Olson. Elliott Hersey explained the location of the road and the fact that it was only approximately 200 yards long. The article passed.

Article 24

To see if the Town will vote to accept the remainder of Woodbury Road in the Subdivision of Gardner B. LeBaron and Willard O. Dodge as a Town Class 5 Highway or act in relation thereto.

Motion for the article was made by Selectman Mansfield and seconded by Selectman Olson. Selectman Mansfield moved to amend the printed article by adding the words, "upon acceptance by the Selectmen, Road Agent and Road Committee" after the words "Town Class 5 Highway ...". The motion to amend was duly seconded and so voted. The article as amended was then passed.

Article 25

To see if the Town will vote to accept Ridgeview Lane in the Subdivision of the Kennedy Brothers as a Town Class 5 Highway or act in relation thereto.

Motion for the article was made by Selectman Mansfield and seconded by Selectman Olson. Selectman Mansfield then moved to amend the printed article by adding the words. "upon acceptance by the Selectmen, Road Agent and Road Committee" after the words "Town Class 5 Highway...". The motion to amend was duly seconded and so voted. The article as amended was then passed.

Article 26

To see if the Town will vote to accept Summit Drive in the Subdivision of Edward and Leslie Colburn as a Town Class 5 Highway or act in relation thereto.

Motion for the article was made by Selectman Mansfield and seconded by Selectman Olson. Selectman Mansfield then moved to amend the printed article by adding the words, "upon acceptance by the Selectmen, Road Agent and Road Committee" after the words "Town Class 5 Highway...". The motion to amend was duly seconded and so voted. The article as amended was then passed.

Article 27

To see if the Town will vote to authorize the Board of Selectmen to sell, convey and transfer a portion of the so-called Victor Daniels Land to the School District of New Boston, at such price and upon such terms as said Board of Selectmen, and its collective and sole discretion, may deem to be in the best interest of the Town and School District of New Boston or act in relation thereto.

Selectman Mansfield moved to pass over this article, this was seconded by Selectman Olson, and so voted.

Article 28

To see if the Town will vote to raise and appropriate the sum of \$4,000.00 for repairs to the Town Hall or act in relation thereto.

The article was moved by Selectman Mansfield and seconded by Selectman Olson.

Discussion ensued as to the condition of the Town Hall and how this money was to be spent. Karen Kelly, member of the School Board, moved to amend this article by adding \$5,000.00 to the total and have this money spent for repairs to the kitchen, this was seconded by Cathy Strausbaugh. The possible kitchen repairs were centered around this being used for school hot lunch and the inadequacies found after state inspection. The Selectmen had not been made aware of any inadequacies. It was also pointed out that these monies had nothing whatever to do with sprinkling the upper Town Hall. When voted on the Kelly motion to amend was defeated by a vote of 82 to 62. The group returned to the main motion of \$4,000.00, and this was passed.

Article 29

To see if the Town will vote to authorize the Selectmen to sell at public auction or administer property of the Town acquired by Tax deed or gift, or to sell to the former owner upon payment to the Town of an amount not less than the sum total of the overdue taxes plus sale and administrative expenses, plus interest on the aggregate of the foregoing, calculated at the rate of 18% per annum, or act in relation thereto.

Motion for this article was offered by Selectman Mansfield, seconded by Selectman Olson, and so voted.

Article 30

To see if the Town will authorize the Selectmen to apply for, receive and expend Federal or State grants, which may become available during the course of the year, and also to accept and expend money from other governmental unit or private source to be used for purposes for which the town may legally appropriate money; provided (1) that such grants and other monies do not require the expenditure of other town funds, (2) that a public hearing shall be held by the Selectmen prior to the receipt and expenditures of such grants and monies and (3) that such items shall be exempt from all provisions of RSA 32 relative to limitations and expenditures of Town monies, all as provided by RSA 31:95b, or act in relation thereto.

Motion for this article was offered by Selectman Mansfield, seconded by Selectman Olson, and so voted.

Article 31

To see if the Town will vote to authorize the Selectmen to hire money to meet the necessary expenses of the Town or act in relation thereto.

Motion for this article was made by Selectman Mansfield, seconded by Selectman Olson, and so voted.

Article 32

To tranact any other business that may legally come before the meeting.

Kathryn Kachavos moved to have the Moderator appoint a study committee of five people to study the effect of property taxes on the elderly and recommend ways to alleviate this burden; and to study the effect such action would have on the taxes of the remainder of the Town's citizens. This committee would report back at the Town Meeting of 1987. This was seconded by Karen Kelly, and so voted.

Harold Strong wished to have the meeting publicly thank David and Leslie Nixon for all the successful work they had done in defending the Town of New Boston in the suit brought by John Raskiewicz at, up to this point, no expense to the Town. The Town did so by standing ovation.

Howard Towne moved to form a study committee to look into the possibility of a multi-purpose building; this was seconded by Donald Chapman who had a similiar idea in mind. Much discussion ensued as to how to go about this, bearing in mind that the committee working on the project during the year had been voted to continue at the School District Meeting. So much confusion prevailed that the Moderator asked that all motions and seconds be withdrawn, which was done; and declared a fifteen minute recess so that those interested could get together and compose a motion which would be agreeable and workable to all those present. The result was a motion by Howard Towne, seconded by Donald Chapman, that the Town authorize the Selectmen, working with the Building Committee re-appointed at the 1986 School District Meeting, to appoint a Town Building Committee to submit a detailed report and proposals for a multi-purpose building; authorize this committee to engage the services of an architect and/or other professionals to assist them in making evaluations and drawing up preliminary plans determining the cost of such construction; the resulting report and proposals to be presented to the citizens of the Town at the 1987 Annual Town Meeting. Discussion continued as to the order of events of the School District Meeting recalled by School District Moderator David Woodbury; and the feeling of all present that they wished the project could be looked upon with unity between the School District and the town. The motion was then passed.

Paul Stanger moved and Steve Strand seconded a motion to instruct the Selectmen and The School Board to print and distribute the printed Town Report at least five days prior to Town Meeting and/or School Meeting in 1987 and subsequent years. This was passed.

The 1986 Town Meeting was then adjourned on motion duly seconded at 1:30 a.m.

Respectfully submitted
Sandra Gendron
Town Clerk

TOWN BUDGET

FINANCE COMMITTEE REPORT

In May 1986 the road committee and the finance committee met with the Selectmen at their request. We were informed of the situation with the bridge on Depot St. and of the Selectmen's proposed course of action.

In late December we met with the Selectmen at their request. The purpose of this meeting was to review the structure and role of, and procedures for the Finance Committee as set forth in the town report of 1952.

During the month of January 1987 we have met with the below listed departments and committees. We have reviewed and discussed their budgets line and offer the following opinions and recommendations.

BUILDING COMMITTEE: We unanimously voted to support the plans and budget for the school addition and multipurpose building. We feel that the building program is totally justified and given the current interest rates that there is no better time for implementation.

CONSERVATION COMMISSION: We unanimously voted to recommend passage of their grant request, and support their proposed expenses.

FIRE DEPARTMENT: Their bottom line budget figure of \$28,631 is recommended and supported by the finance committee.

PUBLIC KINDERGARTEN COMMITTEE: The finance committee does not recommend the implementation of a public kindergarten program at this time.

POLICE DEPARTMENT: We unanimously voted to recommend the budget as presented by the police department. We further recommend the creation of a study committee to be appointed by the town moderator for the purpose of studying the need for and the alternative possibilities of a full time police force in New Boston. A motion proposing this will be presented under the last town warrant article at town meeting.

NEW BOSTON SCHOOL DISTRICT: The finance committee recommends that the total budget figure presented to us of \$1,550,565.00 be reduced by three percent. Our objections to this budget include the approximately 12% salary increase for the teachers, the summertime employment of both the principal and a secretary, and the history of the school district's unexpended balances.

TOWN BUDGET: We unanimously voted to recommend the town budget as presented.

WHIPPLE FREE LIBRARY: Our recommendation is that the bottom line figure of \$38,151.65 be reduced by five percent. It is our feeling that the present personnel are underutilized and that a more efficient operation is in order.

SPECIAL MONEY ARTICLES

\$7,000 to collect hazardous waste. This article was not recommended, citing incomplete planning and the fact that it would only be a one day per year operation.

\$100,000 to complete Bedford Road: Unanimously recommended.

\$56,000 to purchase highway trucks: Unanimously recommended.

\$1,400 to relocate fire radio antenna. Unanimously recommended.

\$40,565 to replace Depot Bridge. Unanimously recommended.

\$18,065 to rent Bailey Bridge. Not recommended.

\$2,600 to enter into septage agreement. Recommended if available.

\$25,000 to convert town hall to town offices: Recommended conditional upon voter approval of multipurpose building and classroom additions to the school.

\$4,000 to make major repairs to the town hall: Recommended if town hall conversion article is not applicable.

\$3,000 to purchase street signs: Unanimously recommended.

\$200 to erect a plaque on Depot Bridge in honor of George (Gregg) Peirce: Unanimously recommended.

Respectfully submitted
Edward Colburn, Chairman
James Dane
Fritz Green
Richard Hecht
Elliot Hersey
Thomas Mansfield
John Young

ROAD COMMITTEE REPORT

Projects for 1987:

1. Finish graveling and paving Bedford Road.
2. Continue widening, graveling and draining Old Coach Road from the Sanitary Landfill going to the Francetown Town Line.
3. Begin widening and graveling McCurdy Road.
4. Widen and gravel Joe English Road from Meetinghouse Hill to McCurdy Road.

Richard Moody, Chairman
George Daniels
George St. John - Road Committee
Almus Chancey - Road Agent
Board of Selectmen

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Between July 1985 and June 1986, we experienced fewer fires than normal. The two leading causes of forest fires were again children and fires kindled without written permission of a Forest Fire Warden. Both causes are preventable, but only with your help. Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden.

If you own forest land, you became responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

WHIPPLE FREE LIBRARY

LIBRARIAN'S ANNUAL REPORT

Year Ending December 31, 1986

The Library was a busy place in 1986 and by the end of the year our circulation had increased 16%. We welcomed 172 new borrowers.

Our service has been greatly enhanced by being able to access the State Library data base. We can quickly determine if a requested title is available in the state and borrow it directly which means faster service. During sessions of the Legislature we will be happy to check on the status of bills for any resident. Our library has been involved from the start with the Greater Manchester Integrated Library Cooperative System (GMILCS) which makes it affordable to call up the state data base through a local phone number. There are many exciting possibilities in the future of the New Hampshire Automated Information System.

This spring the Library was very fortunate to receive a grant enabling us to purchase the Library of America series. This is a set of beautiful new editions of works by America's best authors. The grant was made possible by a matching donation from the Friends of the Library.

The theme for this year's summer reading program was chosen by a contest at Central School Those who agreed to "stick your nose in a book" and read 10 books were promised a surprise which turned out to be a tethered balloon ride donated by the Steve Wilson family. The program concluded with a party in September. The New Boston Video store donated the use of a VCR and movie for the entertainment. The town is certainly fortunate to have individuals and businesses so willing to support us.

There were two new programs offered this year. The Friends of the Library Film Society showed classic films on Friday nights. For a reasonable subscription fee many enjoyed an evening at the movies. On Wednesday mornings a cooperative story hour for 2½ and 3 year olds has been popular and will continue.

In October, the Librarian Sarah Chapman was appointed to serve on the N.H. Advisory Council on Libraries. She will represent small libraries on this board of public, school and special librarians and library users. Their job is to advise the State Library in the planning, development and evaluation of effective library service programs funded by the State or LSCA for public library service and interlibrary cooperation.

Looking forward to 1987 we plan to be open three additional hours each week and to add more programs. We hope you make a New Year's resolution to take advantage of our collection which includes much more than books. Check out a print, a book on tape, a toy for your child or use the pass to the Museum of Fine Arts in Boston which was a gift of the Friends of the Library.

Treasurer

NEW BOSTON PLANNING BOARD

The Planning Board met the 2nd and 4th Tuesday of each month in the Conference Room at the Town Office building; and on the 3rd Tuesday of each month in either the Town Hall or Planning Board Office. In November the board agreed to relinquish the 3rd Tuesday night meetings for the winter months of 1987; if the need arises in the spring of 1987 for additional meeting time, they will then determine a new meeting night.

The board has been meeting with the Southern N.H. Planning Commission since August to review preliminary and final drafts of various sections of the Master Plan. All final drafts will have been reviewed by January 1987 and the completely compiled Master Plan will be ready for a public hearing.

In conjunction with the Master Plan, the board will be including an article in the warrant to obtain authorization to prepare a capital improvements program projecting improvements over at least 6 years. The capital improvements program will classify projects according to the urgency and need for realization and will recommend a time sequence for their implementation. The program will also contain the estimated cost for each project and indicate probable operating and maintenance costs and probable revenues, if any, as well as existing sources of funds or the need for additional sources of funds for the implementation and operation of each project. The program will be based on information submitted by the departments and agencies of the town and will take into account public facility needs indicated by the prospective development shown in the master plan.

Officers for the year were Harold Strong as Chairman, Ella Daniels as Secretary, and Claire Dane as Recording Secretary. Ted Olson filled the position of Selectmen Representative throughout the year. Other members were Mr. Walter Leach and Mr. Frank Crawford, who returned from his leave of absence in June. Alternates serving on the board were Mr. August Gomes, Sr., Mr. Donald Grosso and Mr. John Musick. In April, however, Augi Gomes resigned from his position on the board. We wish to thank him for his many years of dedicated service. He will be missed.

NEW BOSTON BOARD OF ADJUSTMENT

The Board of Adjustment met the third Tuesday of each month at the Town Office Conference room. William Brendle was voted Chairman. Other members are Yvonne Gomes, Clerk, Donald Byam, William Elliot, Joseph Sisk and alternates, Cathy Richard and Richard Dilley. Mr. Sisk, to the Boards regret resigned in December.

There were 19 requests for hearings this year.

3/5/85	Randall & Gail Parker	Special hearings for special exception to open a well animal clinic by Dr. Lewis of Goffstown Animal Hospital at 22 Mill Street - granted.
3/5/86	Herbert A. Scott	Variance-for a 3 lot subdivision on corner of Rt. #77 and Lull Roads denied by Planning Board to consider 50' frontage setback on Rt. #77 instead of Lull Road-granted.
3/28/86	Lawrence & Catherine Straubaugh	Variance-to allow gift of 3.81 acre backlot to their son with a 50' right of way from their 25' driveway on Route #136-granted.
4/15/86	Arthur Johnson	Special Exception-to open craft and lamp shop in building at 220 Bog Road-granted.
4/15/86	John King and Maurice Grenier	Special Exception-to open video shop in one of 2 shop spaces in New Boston River Road Co., Inc. building at 55 River Road-granted.
5/20/86	Charles & Cynthia Hudson	Special Exception-to operate a dog breeding kennel at 312 Mont Vernon Road-denied.
5/20/86	Jonathan Welch	Variance-for subdivision to two lots of 3.99 acre lot denied by Planning Board on Mont Vernon Road-granted.
7/15/86	James & Maureen Ryan	Special Exception-to change use of roon in their home at 9 Meetinghouse Hill Road from antique shop to insurance office-granted.
8/19/86	Frank Crawford	Special Exception-to change use of green building (former P.T.I.) in Central Square-request withdrawn.
8/19/86	Donald & Patricia Grosso	Special Exception-to change use from equipment sales to operate a Pizza & Mexican food take out service at 81 Mont Vernon Rd.-granted pending Fire Dept. approval of renovation and equipment.
9/10/86	Lou Maynard	Special Exception-to remodel and add to present building at 35 Mont Vernon Rd. to expand use of function hall for weddings, private parties, picnics & pre-school kindergarden-granted pending completion and approval of Planning Board Site Plan Review.
9/10/86	H Randall & Gail Parker	Special Exception for Abigail's Bakery on Mill

	Street to expand breakfast menu to bacon & eggs. serve sandwiches at lunch. seat max. of 20 at 4 tables-granted.
10/21/86 Roger Hartleb	Special Exception-to change use from electrical supply location at 290 Francestown Turnpike to general store-granted.
10/21/86 Maurice & Cynthia Whipple	Special Exception to use cement block building on Rt #114 as office and storage of parts by R.H. White Well Drilling.
10/21/86 Pine Street Trust - Jay Marden	Special Exception-to change use of former Burnham Oil office and grounds for sales. rental & installation of satellite dishes for television-granted.
10/21/86 Frank Crawford	Special Exception-to operate an auto parts supply store. warehouse & office on 1st floor of former PTI building in Central Square-granted contingent upon State Highway Dept. approval of 3 parking spaces beside highway in front on Rt #13.
11/18/86 Donald & Patricia Grosso	Special Exception-to change use of bedroom in house at 81 Mont Vernon Road to office space-granted.
12/16/86 Adrien & Ann Paris	Special Exception-to change use of existing garage on Rt #114 to general auto repair shop-granted.
12/16/86 Herbert Scott	Special Exception-to construct a 40'x60' steel building for heavy equipment storage and office on property on River Road-granted contingent upon Planning Board Site Plan Review approval.

REPORT OF THE SOUTHERN NEW HAMPSHIRE PLANNING COMMISSION

The Southern New Hampshire Planning Commission offers a wide variety of services, resources and technical assistance to all towns that are dues-paying members of the Commission. A professional planning staff, assisted by consultants in certain specialized fields for which the Commission is unable to employ a full-time staff, work under the direction of your representatives to the Commission in developing and carrying out planning programs that require regional perspective as well as which pertain to your community.

Local planning assistance requests are normally made by the Planning Board and/or the Board of Selectmen of your town based on your local priorities. However, certain general studies, notifications or acquisition of resources that are deemed essential for all member municipalities of the Commission are also conducted with the concurrence of the Commission.

Services that were performed for the Town of New Boston during the past year are as follows:

1. Updated the town base map in the scale of 1" = 1000';
2. Provided the Planning Board with a suggested schedule for public notices and hearing pertaining to zoning and building code amendments;
3. Provided testimonies to the House and Senate committees of the 1986 session of the General Court on the HB 363, 349, 215, 174, 94 and 48; and SB 109, 117, 119, 215 and 110FN. These bills pertain to planning and zoning issues;
4. Prepared a report on school children multipliers for the region, including an analysis of findings for the Town of New Boston;
5. Co-sponsored the Municipal Law Lecture Series, to which New Boston officials were invited;
6. Conducted a workshop on how to prepare a capital improvement program for any town. The Planning Board members were invited to participate; and
7. Provided the Planning Board with a suggested Warrant Article for seeking Town Meeting approval for the development of a capital improvement program.

New Boston's Representatives to the Commission are:

Mr. August Gomes

Mrs. Nonah Poole

Executive Committee Member: Mr. August Gomes

ASSISTANT ASSESSORS REPORT

1986 was a very busy year in New Boston for the Assessing Department! About 1000 pickup appraisals were completed for the year, including the Current Use appraisal changes (values changed by the State requiring re-calculating all Current Use appraisals). In addition to the regular appraisal work, considerable time was used in conducting land value surveys. This is done to determine the median value of land selling in New Boston. These values are also used to arrive at Current Use penalty values. In 1986 we collected in excess of \$41,100 in penalties assessed on land removed from Current Use.

It appears that 1987 will have even more appraisals as we have 94 new homes started in 1986 in addition to all other additions, renovations, out buildings, pools, subdivisions, and requests for Current Use releases.

We are attempting to make procedural changes in order to make the appraisals more accurate and to speed the process up. We attempt to review all buildings from the inside in order not to over-assess the subject building. We need the taxpayers' assistance in order that admittance may be obtained to view this changes made during the preceeding year.

Your Assistant Assessor would like to thank all the residents of New Boston, all the town officials and their assistants for the splendid cooperation he has received from them. Without this assistance the work would be impossible to complete within the time constraint we work under.

Compton French
Assistant Assessor

BUILDING INSPECTOR REPORT

The new program was voted March 11, 1986. All permits were on hold until about April 1st. Selectman Dodge worked extremely hard and close with the Building Inspector to set up forms, plans etc. During the year, starting in April, we have made changes in application forms and methods of operation, and are still studying changes of operation. At present we have two regular inspection days, Tuesday and Thursday. The average inspection day runs nine hours. It is the intent of the inspector to try and arrange inspections in the morning and in a way to cut mileage to a minimum. Morning inspections help the builders. We try to keep our afternoons open for conference work in office.

We issued in excess of 250 permits after April 1. 94 new houses were started and 98 renovatins/additions were authorized. Total permit fees received was in excess of \$16,400 with expenses in range of \$8,000 (including building inspector fees).

Your Building Inspector would like to suggest that taxpayers read the new ordinance adopted so that they will not unknowingly be in violation of the ordinance. Permits are now needed for many more things than previously. Please know that the door to the Inspector's office is open Tuesday and Thursday and he is always willing to explain the ordinance to you, the taxpayer.

Looking forward to another pleasant year working in New Boston.

Compton French
Building Inspector

FORESTRY COMMITTEE REPORT

1986 has been a quiet year. The town forest lands are monitored occasionally to be sure that nothing unusual has happened. In our period of heavy growth, the forest fulfills an important function by just being there — open space. Water, recreation, wildlife and open space are very important products of the Town Forest that need to be preserved. We do not anticipate any harvest of timber in the near future.

The old road leading to the dump site from Old Coach Road is to be cleaned out of brush, etc. for fire protection and completed in 1987.

The Forestry Committee is studying a concept of placing certain town-owned lands under permanent conservation use. This has been discussed with the Conservation Committee who will coordinate the idea. We'll have more information next year on this means of perpetuating our town forest lands.

Respectfully submitted,
Clifton LaBree
George St. John
Oliver Dodge
Forestry Committee

NEW BOSTON CONSERVATION COMMISSION

The year 1986 was highly important for the New Boston Conservation Commission in that the Town voted to adopt its first wetlands ordinance. This vital natural resource is now safer from damage than before. Without the valuable assistance of the New Boston Planning Board and the Southern N.H. Regional Planning Commission this effort would have surely failed. The Conservation Commission thanks all of those involved.

MEMBERS have responded to requests from the Planning Board to review subdivision plans and to make necessary on-site reviews. Members have regularly attended Planning Board meetings to address wetlands concerns. Dredge and Fill permits are regularly reviewed by the Conservation Commission.

We have annually helped fund the New Boston Central School sixth grade's week at conservation camp.

For 1987 the New Boston Conservation Commission plans to work with the New Boston Fire Department and the town governments of surrounding towns to host and develop a household hazardous waste collection. The life of our landfill could have been substantially lengthened had some safe alternative to dumping household hazardous waste in the landfill been available. Please store cleaners, old batteries, anti-freeze, paint thinner and other products until safe disposal plans can be made.

In addition the Conservation Commission plans to go forward with plans to designate the Great Meadows as a prime wetlands. The Commission will be collecting data to present to the town and will be holding public meetings to discuss the project. Designation of an area as a prime wetland gives the area increased protection from drainage damage.

Respectfully submitted,
Betsey Dodge
Chairman

HOME HEALTH CARE AND COMMUNITY SERVICES

January 1, 1986 - December 31, 1986

ANNUAL REPORT

In 1986, Home Health Care and Community Services continued to provide home care and community services to the residents of New Boston. These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, County funding, grants, and patient fees. Services that could not be covered by other funding have been supported by your town.

The following information represents a projection of Home Health Care and Community Services' activities in your community for 1986. The projection is based on actual services provided from January through September 1986, and an estimate of usage during October, November and December.

SERVICE REPORT

Services Offered	Services Provided	Services Supported Partially or Totally By the Town
Skilled Nursing	6 Visits	0 Visits
Maintenance Nursing	0 Visits	0 Visits
Adult Health Nursing	0 Visits	0 Visits
Child Health Nursing	0 Visits	0 Visits
Bereavement Support	0 Visits	0 Visits
Home Birth Registrations	0 Visits	0 Visits
Office Visits	0 Visits	4 Visits
Nursing Assessments & Other	4 Visits	
Rehabilitation Therapies:		0 Visits
Physical Therapy	19 Visits	0 Visits
Speech Pathology	0 Visits	0 Visits
Occupational Therapy	0 Visits	29 Visits
Homemaker	29 Hours	0 Visits
Home Health Aide	12 Visits	0 Visits
Medical Social Worker	0 Visits	0 Visits
Nutritionist	0 Visits	0 Meals
Meals-On-Wheels	0 Meals	

TOTAL CLIENTS SERVED

Services	Total Unduplicated Client Count
Professional Services	10
Homemaker/Home Health Aide	1
Child Health	0

In addition to the above listed activities, regularly scheduled blood pressure clinics, child health clinics, telephone and office consultations were made available to your residents throughout the year. Town funding, in part, supported these additional services.

FINANCIAL REPORT

The actual cost of services provided in 1986 with all funding sources is projected to be \$4,042.00.

The total cost of services provided for a partial fee, or at no charge to residents in 1986 is projected to be \$2,248.00.

Funds applied toward the cost of these services is as follows:

Town Funds	\$ 1,310.00
Membership Drive Funds	938.00

In 1987, if you wish to continue home care services at the current level, we anticipate that services not paid for by the client, or any other source will be \$3,000.00

RECREATION COMMISSION REPORT

1986 was a record year in many ways for the New Boston Recreation Commission.

With the help of the Friends of Recreation, the fund-raising arm of the Recreation Commission, we raised a record amount of \$21,627 through our many fund-raising programs. Of course, we were able to find plenty of uses for these funds providing fun for all ages.

Our Aerobics and Creative Dance Classes raise the most money for us while providing a service both to the children and adults. Without the efforts of staff members Jeanne Mudrick, Debbie Gilligan, Heather Lovejoy, Jo-Ann Hamel of the Aerobics Classes and Kathleen Simo of the Creative Dance Classes we would not have had such a successful year. A GREAT BIG vote of thanks goes to Jeanne Mudrick who started the Aerobics program and was instrumental in keeping it going.

The children of New Boston also were privileged to take part in Drama Classes under the direction of Bonnie Gavaletz, an affiliate of a Manchester Theatre Group. We were sad to hear that she was moving away and therefore the program was to end after only one session.

The Winter Carnival was SUPER! We had a great turnout for all events. Friday evening Colleen Craven was crowned Carnival Queen at the Carnival Ball, with Heidi Barss as 1st Runner-up and Laura Gallup as 2nd Runner-Up. The sixth grade children of Mr. Jamrog's class provided refreshments for the Ball with all proceeds going towards their trip to Conservation Camp in the Spring. "Sonny Lane and Red Wine" provided the music for dancing.

Saturday, during the day, all ages competed in the various events and races trying for high-score of the day. Snow-sculptures were AWESOME!! The theme for this event was "Winter Sports" and the winner of this event was Jessica Perron with their interpretation of "Indoor Tennis".

Thw awards were presented at the end of the day to those with high-scores and also ribbons to 1st, 2nd, and 3rd place winners of each event. The winning team of the 3rd Annual Invitational Basketball Tournament was presented with the perpetual trophy. Congratulations to Amy Kovac for being crowned our 1st Carnival Princess.

Rita Manna and her staff outdid themselves once again with an outstanding chicken-ot pie supper with all the fixins. Thanks to all those who helped. Special thanks to all those who helped with the games and races, the food booth, the basketball tournament, etc.

Children and adults of New Boston took many trips this year - some of them were roller-skating, Globetrotters in Worcester, skiing at King-Ridge, Pennsylvania, Lake Sunapee and New London Playhouse, Cape Cod. A special overnight Father/Son trip to the Battleship U.S.S. Massachusetts was fun for everyone.

"Look Out"! was the Easter Bunny's warning as about 150 children decended upon 200 lbs. of candy and colored eggs. It took the members of the Rec. Comm. and Friends of Rec. Comm. about ½ hour to scatter candy, eggs, and golden eggs and about five minutes for the kids to "clean up". The older children participated in a scavenger hunt and a special prize was awarded to the one who found the most items on the list...where do they find the stuff! I guess we had better thank those people whose doors they knocked on...

Another record set was the number of children attending the Summer Program. Because of the large attendance we had to hire two Directors this year - hats off to Joyce Belanger & Courtney Landkammer and their six assistants who did an outstanding job. The entire "team" provided well over 100 youngsters ages six through twelve with a

fun-filled summer. Just before the summer program began, Corky Trimbur taught more youngsters than ever before swimming lessons. Thanks to Corky and especially to Maddy and Gerry Perron for the use of the pool.

As summer memories fade away, you can find the members of the Commission scurrying for ideas for the upcoming Haunted House. Ghosts and goblins come alive in the upper Town Hall to scare the daylights out of those who dare to visit. What would we have done without those who like "being a kid again" by dressing up to spook! Thanks to all of you who helped in any way.

Another record was set with the number of new families that were invited and attended the annual Newcomers Welcome held each year in November. The Commission and those groups and organizations who were there displaying information were very pleased at the turnout.

December is a special time of the year for everyone. The holiday season opens in New Boston with the annual Christmas Tree Lighting on the Common. Thanks to Priscilla and Charles Carlson for donating this years tree and to all those who helped put it up. With a few delays the lights finally were turned on to welcome all to New Boston for the holidays. Thanks to New Boston Community Church Junior Choir members and their Director Debbie Keiner for leading us in carols and to Kathleen Simo and her pupils in the Creative Dance Classes for entertaining us. A special treat was having Bill Mulligan read poem's and the very special "T'was the Night Before Christmas" to a capacity crowd. Santa's visit with gifts for the kiddies was the ending of another year for all New Boston and, for the members of the Recreation Commission the beginning of planning for 1987.

Where would we be without you, the parents and friends of New Boston, who lend a helping hand in one way or another to help make these programs happen and a HUGE THANKS to all of those members of both the Recreation Commissioin and the Friends of the Recreation who volunteer all the time to make these programs available to you the townspeople. Please continue your support...WE NEED IT!!!

REPORT OF THE MULTI-PURPOSE BUILDING COMMITTEE

At the 1986 New Boston School District meeting it was voted that the building committee continue its work on proposals for classrooms and a multi-purpose building.

At the 1986 New Boston Town Meeting it was voted to finance this committee.

With the cooperation of the Selectmen and the School Board, new members were appointed the committee was formed and funded.

The committee once again hired architect David Lopatich of Nashua to assist the committee in forming a building plan.

The plan that was presented at the 1986 School District Meeting was reviewed by the committee and concerns voiced by citizens were considered. Out of these discussions a new plan has been formulated to meet the needs of the school and the town.

The following are some of the major changes that have been made.

1. The most important change is the addition of 4800 square feet of storage space on a second floor. This space is designed in such a manner as not to eliminate its future use as office space, classroom space, meeting space etc.

2. The roof of the multi-purpose building has been changed from a pitched standing seam steel roof to a flat roof with a rubber membrane.

3. The exterior walls will be all brick versus block, brick and steel combination.

4. Two additional toilets in the classroom area.

5. The floor plan has been changed to address concerns of the parking area and to simplify traffic flow of people within the building.

Over the past year it has become obvious that our town is outgrowing its facilities. We no longer have to rely on projections to say our classrooms are going to be over crowded, some are over crowded now.

The capacity of the Town Hall has been cut dramatically by changes in codes, (the second floor can only accommodate 50 people.). This eliminates its use for most functions which took place there in the past, such as plays, fund raising events and large meetings.

There is no doubt that space for the school and the town is needed. The only question is when? We feel that considering the growth of the town and the present low interest rate, the time is now!

Respectfully Submitted,
Brian Towne, Chairman
Fritz Green, Secretary & School Board
Tom Mansfield, Selectman

NEW BOSTON SCHOOL DISTRICT WARRANT

Election of Officers

1987

The State of New Hampshire

To the Inhabitants of the School District in the town of New Boston qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall in said district on Tuesday the tenth date of March, 1987, at ten o'clock in the forenoon, to cast ballots from that hour of said day until seven o'clock in the evening, for the following School District Officers:

1. To choose a Moderator for the ensuing three years.
2. To choose a Clerk for the ensuing three years.
3. To choose a Treasurer for the ensuing three years.
4. To choose a member of the School Board for the ensuing three years.
5. To choose one Auditor for the ensuing two years.

Given under our hands at said New Boston this thirteenth day of February, 1987.

Frederick Green
Karen Kelly
Leslie Colburn
School Board

NEW BOSTON SCHOOL 1987 DISTRICT WARRANT

To the Inhabitants of the School District in the town of New Boston qualified to vote in District affairs:

You are hereby notified to meet at the town hall in said district on Friday the sixth day of March, 1987, at eight o'clock in the evening to act upon the following subjects:

1. To see if the District will vote to raise and appropriate the sum of One Million Six Hundred Thousand Dollars (\$1,600,000) for the construction of a Multi-Purpose Building and classroom addition, to be constructed on the north side of the existing school on land currently identified as the former Victor J. and Katherine Daniels land. Said construction pursuant to plans and specifications approved by the School Board, a copy of which is on file at the School Administrative Unit #19 office. Funds raised and appropriated to also include furnishings and equipment, architectural and other fees, site acquisition, site development, and other items incidental to and necessary for such construction, and to raise said sum by the issuance and sale of bonds or notes in accordance with the provisions of the Revised Statutes Annotated of New Hampshire, as amended. The time and place of payment of interest, rate of interest, provisions for sale of notes or bonds and all other matters in connection therewith, to be left to the descretion of the School Board, and further, to specifically appropriate to the payment of the costs of said construction any interest which may be earned on the proceeds of the

sale of the bonds or notes or any premium therefrom; or take any other action in relation thereto.

2. To see if the District will vote to authorize the School Board to accept a portion of the tract of land identified as the former Victor J. and Katherine Daniels land, or take any other action in relation thereto.

3. To see if the District will vote to authorize the present Building Committee to continue in service until completion of the construction of the Multi-Purpose Building and classroom addition, or to take any other action in relation thereto.

4. To see if the District will raise and appropriate the sum of Seventy-Three Thousand, Three Hundred Sixty One Dollars (\$73,361) for the purpose of providing a half-day Public Kindergarten to be added to the existing New Boston Elementary School program. Expenditures to include funding for staffing, supplies, transportation and other items incidental to and necessary for the provision of a public school kindergarten program, or to take any other action in relation thereto.

5. To determine and appoint the salaries of the School Board and Truant Officer and fix the compensation of any other officers or agents of the District.

6. To hear reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

7. To choose Agents and Committees in relation to any subject embraced in this Warrant.

8. To see if the District will vote to authorize the School Board to make application for and to accept, in behalf of the District, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States, and/or any other source, and to appropriate any funds received to the payment of obligations of the District for which said funds constitute full reimbursement in accordance with RSA 198: 20-B, or take any other action in relation thereto.

9. To see what sum of money the District will raise and appropriate for the support of schools, for the payment of salaries of school district officials and agents, and for the payment of statutory and contractual obligations of the District.

10. To transact any other business that may legally come before this meeting.

Given under our hands at said New Boston this thirteenth day of February, 1987.

Frederick Green

Karen Kelly

Leslie Colburn

School Board

MINUTES OF THE NEW BOSTON SCHOOL DISTRICT MEETING

March 7, 1986

The meeting was called to order at 8:00 p.m. by Moderator David Woodbury at the New Boston Town Hall. Gail Parker made a motion to recess the meeting immediately to reconvene at the fire house. Frederick Green seconded and the motion passed. The School Board and six others present then proceeded to the fire house.

The meeting was reconvened by a prayer given by Linda French. The salute to the Flag was led by Gail Parker.

At this time, Frederick Green presented a plaque to outgoing board member Gail Parker for ten years of service to the School Board with much appreciation and praise for all her contributions.

Thanks were given to the fire department for the use of the building and to all those who assembled the voting booths for the meeting.

Mr. Woodbury introduced the School Board Members - Frederick Green, Gail Parker and Karen Kelly; David Lopatich, Architect; Doug Hatfield, School Board Attorney; Richard Matthews, New Boston Central School Principal; and from the School Administrative Unit #19, Charles Lamontagne, Ken Greenbaum, Darrell Lockwood and Dr. Elizabeth O'Reilly.

The checklist supervisors and ballot clerks were introduced and voting procedures explained.

Frederick Green moved to waive the reading of the warrant, Gail Parker seconded and the motion passed.

Article I

Brian Towne moved to see if the District will vote to raise and appropriate the sum of nine hundred eighty-nine thousand, nine hundred thirty-three dollars (\$989,933) for the construction of a Multi-Purpose Building, to be constructed on the north side of the existing school on land currently identified as the former Victor J. and Katherine Daniels land. Said construction pursuant to plans and specifications approved by the School Board, a copy of which is on file at the School Administrative Unit #19 office. Funds raised and appropriated to also include furnishings and equipment, architectural and other fees, site acquisition, site development, enclosed link to New Boston Central School, and other items incidental to and necessary for such construction and to raise said sum by the issuance and sale of bonds or notes in accordance with the provisions of the Revised Statutes Annotated of New Hampshire, as amended. The time and place of payment of interest, rate of interest, provisions for sale of notes or bonds and all other matters in connection therewith, to be left to the discretion of the School Board, or take any other action in relation thereto.

Gail Parker seconded the motion. Brian Towne, Chairman of the Building Committee, presented the group's schedule of progress: a centrally located large enough site was the first priority; this was chosen in the spring as the Daniels land adjacent to the Central School. In the fall the School Board expressed a concern for more classroom space because of the growth in town, so classrooms were included in the plans. The Committee's report on page 82 of the Town Report was called to attention and these changes noted: line 10 should read 1000 people rather than 800; and under costs classrooms should be changed to \$456,233.00. Moderator Woodbury then recognized Architect Lopatich who gave a visual presentation with overhead projector and visuals.

Mr. Green then called attention to hand-out sheets in which were explained the bond issue and statistics of town growth.

The motion was then opened for discussion followed by a lengthy question and answer period. Concern was given to the actual need of classrooms, the availability of the all-purpose room to the community and to other concerns of the actual building size and materials.

The polls opened at 9:25 p.m. and closed at 11:10 for the purpose of a secret ballot on the motion. The results were: Yes - 176, No - 226.

Article 2

Frederick Green made a motion to raise and appropriate the sum of four hundred fifty six thousand, two hundred thirty-three dollars (\$456,233) for the construction of a six room addition to be added to the New Boston Central School, furnishings and equipment, architectural and other fees, site acquisition, site development and other items incidental to and necessary for such construction and to raise said sum by the issuance and sale of bonds or notes in accordance with the provisions of the revised statutes annotated of New Hampshire, as amended. The time and place of payment of interest, rate of interest, provisions for sale of notes or bonds and all other matters in connection therewith, to be left to the discretion of the School Board. Gail Parker seconded the motion. Mr. Green then spoke for the motion and pointed out the need for extra rooms because of the large number of first grade students entering this fall and the fourth and fifth grades were nearing maximum numbers. There was discussion concerning the use of the two rooms at the lower level of the hill. Mr. Green replied although extensive repair is needed the Board has planned to use them in the event the motion failed. The parents of nursery and kindergarten children, who now run a school in one of these rooms, were concerned about the continuatin of a pre-school program if they have to leave.

Many opinions were given and discussion was lengthy concerning a possible second story on the present school building. This was ruled out as the building is a one story construction not designed to support a second story structure. Further it was pointed out that a two story building would necessitate provisions for expensive handicap accessibility by elevator or extensive ramp.

The polls opened at 12:11 a.m. and closed at 1:20 a.m. for the purpose of a secret ballot on the motion. The vote was: Yes - 197, No - 134.

Article 3

Brian Towne moved to pass over Article 3. Frederick Green seconded and the motion passed.

Don Chapman complimented the committee at this time for a job well done and the many hours of work each member put in. He expressed the hope that their knowledge gained this year would not be lost.

Article 4

Frederick Green moved to pass over Article 4 and Linda French seconded. The motin passed.

Article 5

Karen Kelly moved that the salaries of the School Board and Truant Officer or agent of the District be accepted as printed in the Town Report. Frederick Green seconded and the motion passed.

Article 6

Gail Parker moved the reports of agents, auditors, committees, or officers be

accepted as printed in the Town Report. Karen Kelly seconded and the motion passed.

Article 7

Kevin St. John made a motion to authorize the New Boston School Board working with the Selectmen to retain the Multi-Purpose Building Committee to submit a report and proposals for a classroom addition to the Annual School Meeting in 1987. Sandy Gallup seconded the motion.

Discussion followed again regarding a place for a pre-school program and the need for a large area meeting place being the major concern. Karen Kelly amended the motion to include a report and proposal for a multi-purpose building. Leslie Colburn seconded and the amendment passed. Mr. St. John spoke against the amendment, feeling the need for classrooms was evident but not a multi-purpose building.

Heidi Palmer moved the question. Maureen Ryan seconded. The motion passed. The amended motion was voted on and passed by hand vote. Yes - 108, No - 40.

Cindy Ballard made a motion to authorize the School Board to appoint a committee to research and submit a detailed report of the expenses and other requirements of a New Boston Public Kindergarten. The resulting report to be presented to the citizens of the town at the 1987 Annual School District Meeting. Sandy Gallup seconded and the motion passed.

Article 8

Karen Kelly moved that the School District authorize the School Board to make application for and to accept, on behalf of the District any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States and/or any other source, and to appropriate funds received to the payment of obligations of the District for which said funds constitute full reimbursement in accordance with RSA 198:20B. Ted Olsen seconded and the motion passed.

Article 9

Gail Parker moved that the District raise and appropriate one million, three hundred forty-six thousand, one hundred forty-two dollars (\$1,346,142) for the support of schools, for the payment of salaries of School District officials and agents, and for the payment of statutory and contractual obligations of the District. Frederick Green seconded the motion.

Mrs. Parker pointed out an additional \$5,000 would be used for repair of classrooms at lower level of the hill and oil and electric costs for those rooms. Mr. Green presented a new teachers salary scale prepared by the Board. Discussion followed. Robert Rickey made a motion to raise fifty thousand (\$50,000) to rent temporary classrooms for the Central School, leaving the classrooms on the lower level free for kindergarten. Cindy Ballard seconded. The amendment was defeated by a voice vote.

Elliot Hersey, a Finance Committee member moved to reduce the budget six thousand dollars (\$6,000). Ed Colburn seconded. Elliot Hersey called attention to the Finance Committee report and their recommended cuts in tuition buffer and oil. The motion was defeated. The main motion was then voted on and passed by voice vote.

Article 10

Bernice Huett spoke at this time of her concern for the kindergarten age children and also her concern that guidance counselors have group sessions with children without parental consent and felt this should be looked into.

Steve Wilson suggested having the School meeting on a Saturday when more

people could attend and having articles voted on in the day time. The Board said State statutes dictate what can be voted on by ballot. Many commented against a Saturday meeting.

Richard Moody made a motion to adjourn and Sandy Gallup seconded. The motion passed and the meeting adjourned at 2:55 a.m.

Respectfully submitted,
Nonah Poole
School District Clerk

AUDITORS CERTIFICATE - 1985/86

We the undersigned, have examined the ledger and other financial records of the New Boston School District, and after considerable rectification find them correct.

We offer the following suggestions:

1. The use of a bound double entry ledger.
2. Strict itemization of all entries.
3. Endorsement of the ledger.
4. The use of pre numbered checks.
5. The school board and the SAU should work with the treasurer to insure that the accounting system of the district is well defined.

Respectfully submitted
Brian H. Towne
Patricia Backman

REPORT OF THE SUPERINTENDENT

To the School Board and Citizens of New Boston:

In my first annual message, I am please to report to you that the transition to a new administration has taken place in good order thanks to the very capable staffs in the central office and schools throughout the six member districts of SAU #19. Effective with the start of the new fiscal year on July 1, 1987, SAU #19 will be restructured to consist of four member school districts, Bow, Dunbarton, Goffstown and New Boston. This change is a result of a year of study by the member districts of SAU #19 and 24. This study culminated in the State Board of Education approving the member districts recommendation on August 13, 1986. Both the John Stark Regional and Weare School Districts, present members of SAU #19, will with the Hopkinton, Henniker and Stoddard School Districts, comprise the restructured SAU #24.

The 1986/87 school year opened with a general meeting of all School Boards and staffs. That meeting was held to promote "improved school atmosphere." This was established as the theme for the year.

To improve communications among the member School Districts, a Coordinating Committee with representation from each of the Districts has been established and meets on a monthly basis.

Dr. Elizabeth O'Reilly's position title has been changed to Assistant to the Superintendent for Special Needs. With the help of a review committee established by the Bow School Board, she has presented and had approved by all member Districts a revision of the Special Education Procedural Handbook for staff. She has also published a new child find pamphlet entitled, "Is Your Child on Target" and a Parent Information booklet.

All of the Districts in SAU #19 are involved in work related to school space needs. This work ranges from initial studies, to building committees or actual construction. The need for additional school facilities is due to a number of factors. The factors include increased pupil population due to a construction boom and changes in educational programming.

Some of the educational programming changes are a result of attempts to meet existing State of New Hampshire standards. Others are made to meet the expectations of parents and the needs of students. There are also new State of New Hampshire standards proposals that must be considered.

Each of the respective Districts in SAU #19 have unique needs which can be resolved through a commitment to the type of local planning which systematically addresses needs before a crisis occurs.

I wish to express my appreciation for the assistance and cooperation provided me by the administrators, teachers, School Board, and citizens of New Boston. Without this assistance and cooperation, many of the things accomplished would have been left undone, and I look forward to another prosperous year — a year of continued cooperation.

Respectfully submitted,
Timothy S. Gormley
Superintendent of Schools
N.H. School Administrative Unit #19
Bow, Dunbarton, Goffstown,
John Stark, New Boston, Weare

NEW BOSTON CENTRAL SCHOOL

Richard Matthews, Principal

A substantial growth in student population, combined with a lack of space, has prompted a variety of changes at New Boston Central School. With the continued cooperation of staff, students, and community, the atmosphere at the school continues to be very positive. It is because of this existing cooperation that New Boston Central School has the ability to make a positive difference in students' lives.

At this time last year, the total enrollment was 186 students. The total enrollment at present is 232. The distribution of students at New Boston Central School, by classroom, is as follows:

Readiness	—	16
Grade 1	—	19
Grade 1	—	19
Grade 2	—	21
Grade 2	—	21
Grade 3	—	35
Grade 4	—	19
Grade 4	—	17
Grade 5	—	31
Grade 6	—	17
Grade 6	—	17
	—	

Grades 1, 2, 4 and 6 have been divided into two separate classrooms in order to adequately meet the individual needs of the children at these specific grade levels. Grades 3 and 5 are at high student/teacher ratios of 35:1 and 31:1 respectively.

In order to accommodate the additional classrooms, it became necessary to renovate the two lower classrooms which are separate from the main building. Grade 6 is currently using these two classrooms. Positive outcomes of this change have been the implementation of achievement grouping and changing classes for specific subjects. Although the children are somewhat segregated from the main building, their morale is high.

The New Boston School/Community Group is playing an active role in supporting the school and working to keep open communications between the school and community. A sub-group of this organization is the New Boston School Volunteer Program that is in the beginning stages of being formed.

Because of the dedication and innovativeness of the teachers and staff of New Boston Central School, along with the support of the community of New Boston, New Boston Central School is an enjoyable academic and social environment for children.

ANNUAL SCHOOL HEALTH REPORT

September 1985 - June 1986

School Physician, Dr. Norman Caron visited in October, and 25 physicals were given to fourth graders. Immunizations were reviewed and needed recommendations were made to parents. Again, New Boston Central School achieved 100% immunized children by September 30, 1985.

All children were screened for vision, hearing, heights and weights. Fifth and sixth graders were additionally screened for Scoliosis (curvature of the spine).

Appropriate health classes per grade level included fire prevention, nutrition, dental, smoking and alcohol, puberty and self awareness. Sixth graders completed an American Red Cross Basic First Aid course and received their certificates at graduation. This year, fifth grade health classes concentrated on learning "How Our Bodies Work."

In January, we continued with your State sponsored Fluoride Rinse Program. This consists of daily brushing and a weekly fluoride rinse. Supplies were provided by the Joe English Grange.

In February, Colleen Demarias, our dental hygienist, returned with her mini-mobile dental office and treated a total of 79 children at a nominal fee of \$4.50 per child.

The Annual Pre-School Vision and Hearing Clinic was held in May at the New Boston Community Church. A total of 41 preschoolers, age 3-6, were seen. The clinic was sponsored by the State of New Hampshire and Little People's Depot Kindergarten.

In May, registration took place for incoming first grade and readiness children. Thirty-four children were registered for September 1986.

In conclusion, I want to thank Mary Reeves, super secretary and assistant medication dispenser, Mr. Matthews, teachers, and parents for their help, support, and consideration given to me this year. And to the children of New Boston....a hug for each of you and a thank you for making my job fun.

Healthfully yours,
Anne B. Christoph, R.N.
School Nurse

REPORT OF THE NEW BOSTON PUBLIC KINDERGARTEN COMMITTEE

At the 1986 School District Meeting a motion was to passed form a committee "to research and submit a detailed report of the expenses and other requirements of a New Boston Public Kindergarten. The report to be presented to the citizens of the town at the 1987 Annual School District Meeting." The following is a summary of the committee's report. This information was derived from any sources: National and state wide studies, studies by neighboring communities, and interviews with state and local experts in all fields related to the subject.

Q. Is kindergarten an important part of a child's education?

A. Yes. Most definitely. One major research study established that the preschool years are crucial to a child's intellectual growth. "...50% of all growth in intelligence takes place between birth and age four, 30% between the ages of four and eight, and 20% between the ages of eight and seventeen... If we do not offer appropriate educational programs for children before age six, we are not providing appropriate experiences for the most productive years of learning".¹ Other studies specifically document the significant effects of the kindergarten experience on a child's early school years and on into their later education and adult lives.

1. "Kindergarten in New Hampshire" publication by New Hampshire Department of Education. National research by Benjamin Bloom.

Q. How has this need been addressed nationally and locally?

A. The state of New Hampshire is the only state in the nation which neither offers public kindergarten to virtually 100% of its five year olds nor has a deadline to do so within the 1980's. In New Hampshire the decision to offer public kindergarten rests with each local school district. As of September 1986, 43% of the school districts in New Hampshire have established public kindergarten programs, and the number is increasing. Last year the neighboring towns of Merrimack and Nashua voted to establish public kindergarten. This year public kindergarten is considered by Hudson, Sunapee, Kearsarge, Goffstown, Dunbarton, Tamworth, Newmarket, Litchfield, Rumney, Rochester, and other towns throughout the state. A number of other districts are including kindergarten as they plan for future building.

Q. What has been done in New Boston up to this time, and what is our current status?

A. The history of concern and dedication of the people of New Boston dates back over 20 years. The present private kindergarten; Little People's Depot, offers a quality program. Because of space and program restraints, it serves less than half of the possible kindergarten age students of the town. Next year will be no exception. Of the at least 43 five years olds eligible for kindergarten as of September 30, 1987, Little People's Depot can accommodate only 19. Many nearby private programs even at this time, are operating on "waiting list" status only. Another sad reality of private programs is that the costs have increased significantly over the past few years due for the most part to the rising costs of insurance. Private kindergarten is no longer in the financial reach of many families.

Q. How much would public kindergarten cost?

A. Our cost estimates are based on the availability of the lower buildings of the Central School as an existing facility. We estimate an initial annual outlay of \$73,361 to

establish a half-day public kindergarten program in New Boston. This figure would work out to be an addition of approximately \$1.25 to the tax rate and would represent approximately 5% of the 1987/88 School budget. This cost includes all expenses from teacher salaries, to building and equipment expenses, to full transportation as mandated by the state law. The annual ongoing cost of operating a public kindergarten in New Boston is estimated at approximately \$65,000.

Q. What then is the recommendation of the committee?

A. Based on the above findings The New Boston Public Kindergarten Study Committee strongly recommends the incorporation of a public kindergarten program in the New Boston educational plan. The timing for the implementation of public kindergarten would be dependent on the availability of space.

Further the committee recommends the proposal for a public kindergarten in the town of New Boston starting fall 1987 be brought to a vote as a Warrant Article at the 1987 School District Meeting. This assumes the passage of the funding for the additional six classrooms thus making available the lower buildings for a public kindergarten program.

If the funding for the additional classrooms is not passed then the committee recommends the passing over of the public kindergarten Warrant Article at the 1987 School District Meeting and the tabling of the issue of public kindergarten until the 1988 School District Meeting.

We welcome inquiries regarding any aspect of our study. Complete copies of the report are available at the Whipple Free Library or Town Offices and we encourage all interested citizens to examine the full report for themselves.
